Trackstar-Racing has contracted OneSky Jets as the official private jet partner for all of their flight needs.

Trackstar-Racing is the first exclusive celebrity VIP Motorsport Club with members ranging from Oscar winning actors to Platinum selling artists and fashion models to International Footballers from around the world with one common interest “racing.”

Trackstar-Racing is “by invitation only” guaranteeing only the top celebrities who are passionate about racing become members and making it the most exclusive motorsport club worldwide. With a full race calendar Trackstar-Racing flies many celebrity members all over the globe to watch the most exciting adrenaline fueled motorsport championships in the world.

Trackstar-Racing has already confirmed OneSky Jets to fly out various celebrity members so that they can attend the second U.S round of MotoGP at Indianapolis in September.

Steve Hawthorne, Trackstar-Racing Founder added: “When you fly any staff, members or guests anywhere it comes with huge responsibility to make sure safety is a top priority and OneSky Jets gave me 100% peace of mind. Their services were second to none, and I am proud to say we are building a long term relationship with them. Our flight from Van Nuys to Monterey to watch the Moto Grand Prix at Laguna Seca was excellent from start to finish and we have already booked our next outing. OneSky Jets tailored this outing to suit all our needs and went beyond the call of duty to make sure everything went smoothly. I fully back them and have already recommended them to our celebrity members, friends and clients.”

OneSky Jets, known for its highly personalized service and widely regarded as being the pioneer in harnessing the power of sophisticated information technology, provides the charter jet flier with unprecedented safety and quality assurance. With its broadest array of choice in on-demand aircraft charter, OneSky provides rigorous flight-specific quality controls and unmatched service. Headquartered in Manchester, N.H., OneSky has been operating nationally since 2004.
