XJet World and OneSky Jets Launch Charter Club Network for Private Jets

Thursday October 25, 9:00 am ET

Strategic Alliance Will Offer Private Jet Travelers Seamless Services and New Operational Efficiencies

ENGLEWOOD, CO and MANCHESTER, NH--(MARKET WIRE)--Oct 25, 2007 -- XJet World (www.xjetworld.com) and OneSky Jets (www.onesky.com) announced a strategic alliance to launch a network of Charter Clubs at select private jet locations that offer members an unparalleled package of private jet services. The Charter Clubs will provide access to XJet's exclusive land-based facilities and top drawer services, special charter options on member aircraft, and special block time charter options. The Charter Club will also enable its members to leverage OneSky's network of rigorously vetted charter options, proprietary air charter systems, and operational technology.

The first Charter Club will open this autumn at Centennial Airport in Denver, Colo., offering an unmatched world-class private aviation experience. The second one will open at Gerald R. Ford International Airport, Grand Rapids, Michigan, next summer.

The ground-breaking Charter Club concept being launched by XJet and OneSky is a seamless, service focused, tech-enabled private jet solution that offers the benefits of fixed rate block time with the flexibility of premium quality on-demand charter monitored and supported by OneSky's state-of-the-art command center in Manchester, N.H.

"This unique Charter Club concept combines our companies' complementary strengths to build an exclusive network offering our members flexibility, choice, reliability, and quality in private jet travel," said Josh Stewart, President of XJet.

"OneSky is a natural partner because of our shared commitment to the very highest standards of service and our dedication to exceeding the expectations of private jet travelers. OneSky provides a vital piece of the total jet management solution for XJet members."

Greg Johnson, OneSky's President and CEO, said, "This strategic alliance brings together the strengths and vision of our respective companies, which are both committed to redefining private jet travel with full transparency of information and operating with genuine respect for their members. We are two companies with a single commitment: providing the very best travel experiences to our members."

XJet members will have direct access to OneSky's industry-leading systems and services when seeking to procure charter hours for their own aircraft or to source premium charter options for themselves to supplement their own travel needs.

For OneSky's members, the Alliance with XJet provides access to more of the finest charter aircraft, increased aircraft availability, and access to XJet's superb facilities now being developed worldwide.
